Volunteerism and Service
At Missouri S&T, we realize that our impact goes far beyond our campus. As a result, the office of student life is committed to contributing to the betterment of our local, surrounding, and global communities. We do this by offering students a variety of opportunities to become actively engaged through service. All of which is possible due to the mutually beneficial partnership that exists between community organizations and the University. Annual events such as the Civic Engagement Fair, Make A Difference Day, Martin Luther King Day of Service, and the Miner Challenge Alternative Spring Break program are some of the volunteerism highlights of the academic year. Learn how to get involved in volunteer activities by joining our listserv at http://studentlife.mst.edu/volunteerisminvolvementhomepage/ or by watching campus announcements for opportunities scheduled throughout the year. For more information on how you can get involved in volunteerism and service, please contact the Department of Student Life, 218 Havener Center, at 573-341-6771 or stulife@mst.edu.
