Graduate Center of Missouri S&T in West County
Victor Birman (Director)

Missouri S&T Global - St. Louis, located at 12837 Flushing Meadows Drive, offers Missouri S&T graduate courses and degrees to working engineers and scientists in the St. Louis area. The courses, usually offered in the late afternoon or in the evening, are credit courses applicable to M.S. or Ph.D. degrees. In addition, the Center offers numerous graduate certificate programs. Most of the courses can also be taken by non-degree candidates for personal enhancement.

Graduate degree programs are offered in:

- Aerospace Engineering (MS)
- Business Administration (MBA)
- Chemical Engineering (MS)
- Civil Engineering (MS)
- Computer Engineering (MS)
- Computer Science (MS)
- Electrical Engineering (MS)
- Engineering Management (MS)
- Environmental Engineering (MS)
- Explosives Engineering (MS)
- Geotechnics (ME)
- Industrial-Organizational Psychology (MS)
- Information Science and Technology (MS)
- Manufacturing Engineering (ME)
- Mechanical Engineering (MS)
- Mining Engineering (MS)
- Systems Engineering (MS)
- Technical Communication (MS)

Requirements for the M.S. degree at Missouri S&T Global - St. Louis are identical to those on the Rolla campus. Courses are taught by Missouri S&T faculty and by Missouri S&T-approved adjunct faculty (prominent engineers and scientists).

The center was established in 1964, as a part of the continuing education programs at Missouri S&T. Over 3,000 engineers obtained M.S. degrees at the Center.
