STUDENT SUCCESS PROGRAMS

Student success programs, an office of enrollment management, coordinates the new student programs office, Student Success Center, and the university’s ID card service. Student success programs will empower students and their families with vital information and contacts to enhance new students’ academic, personal and professional success at Missouri S&T. The goals of the program are achieved through a coordinated sequence of events which provide constructive interactions between students, students’ families, faculty, staff and student leaders.

New Student Programs

New student programs is responsible for the campus orientation programs, which includes preview, registration, and orientation (PRO); opening week orientation; transfer transitions orientation; opening week and transfer mentors; and PRO leaders. New student programs serves to orient and welcome new students to Missouri S&T; facilitates the transition to college life through interaction with faculty/staff members, peers and upperclassmen; provides information concerning academics; resources on campus; builds the foundation for future success; and introduces the concepts of professional development and leadership.

During a one-day PRO session in the spring or summer, incoming students take placement exams; learn more about student success, campus resources, living options; obtain their miner card (campus ID); activate computer accounts; and meet with an academic advisor to determine students’ fall class schedules. Opening week orientation takes place the week before fall classes. This program includes new student convocation, participation in student mentor groups, academic workshops, team projects, and activities that will help with student success.

PRO leaders are a selected group of student leaders for the new student program’s office with primary duties consisting of assisting with planning and executing programs for new students during PRO and opening week.

Burns & McDonnell Student Success Center

The Student Success Center is to serve all Missouri S&T students as a campus resource that will provide high quality customer service, effective information, and support as students persist in their journey towards their educational goals.

The Student Success Center is a centralized location, 198 Toomey Hall, designed for students to visit and feel comfortable about utilizing the campus resources available. The Student Success Center was developed as a campus wide initiative to foster a sense of responsibility and self-directedness to all S&T students by providing peer mentors, caring staff, and approachable faculty and administrators who are student-centered and supportive of student success.

The objectives of the Student Success Center are to: coordinate and support programs and retention efforts that foster student success at Missouri S&T; collaborate with academic and non-academic departments on resources available to help enrich students’ educational experiences; guide students on the path to success by providing referrals to appropriate campus departments and resources to help them achieve at the best of their ability and reach their educational goals.

Miner Card

The miner card (campus ID card), is required for all students. The miner card features: student’s photograph, name, signature, and emergency contact phone numbers. There is also a magnetic strip encoded with student and campus information. Students should treat their miner card with the same care as you would an ATM or credit card. The miner card can be used at the The S&T Store and the Missouri S&T Library; for building/room access; on-campus dinning; entitles students to sporting and theater special events; discounts at restaurants and businesses. Lost or found miner card should be reported to the miner card ID office in 106 Centennial Hall or by calling 573-341-4996.

The miner card is the property of the Missouri University of Science and Technology and is non-transferable. This card provides the valid bearer with privileged access to designated university facilities and services. It should be carried at all times and presented upon request.
