MINORS

You can elect to combine a recognized minor program with your bachelor of arts or bachelor of science degree programs in the following areas:

- adaptive leadership
- aerospace engineering
- American studies
- applied mathematics
- art
- artificial intelligence and machine learning in business
- automation engineering
- bioinformatics
- biological sciences
- biomedical engineering
- business
- business analytics and data science
- business applications and software development
- computer engineering
- computer science
- creative writing
- cybersecurity management and information assurance
- digital supply chain management
- economics
- electrical engineering
- electronic and social commerce
- energy technology
- engineering management
- enterprise resource planning
- entrepreneurship
- ethics
- explosives engineering
- film and literature
- finance
- financial technology
- French
- games studies
- global studies
- global sustainable economics
- history
- human-computer interaction and user experience
- humanitarian engineering and science
- industrial/organizational psychology
- information science & technology
- international economics
- Latin American studies for technical applications
- leadership communication
- linguistics
- literature
- management information systems
- manufacturing and operations management
- mathematics
- material science and engineering
- mechanical engineering
- medicine
- microbiology
- molecular and cell biology
- music
- music therapy
- natural resources and environmental sustainability
- natural sciences
- neuroscience
- nuclear engineering
- philosophy
- physics
- political science
- psychology
- public administration
- public policy
- public relations
- public relations and strategic communication
- quantum computing
- real estate management
- recreational therapy
- Russian
- Sanford School of Music
- Spanish
- speech and media studies
- statistics
- sustainability
- systems and control engineering
- telecommunications engineering
- theater
- tissue engineering
- urban studies
- violin
- voice
- visual arts
- world languages
