Administrators

Joel Burken of civil, architectural and environmental engineering
K. Chandrashekhara of mechanical and aerospace engineering
Ta-Shen Chen of mechanical engineering (emeritus)
Franklin Cheng of civil engineering (emeritus)
Alfred L. Crosbie of mechanical engineering
Delbert Day of ceramic engineering (emeritus)
Lokesh Dharani of mechanical engineering
James Drewniak of electrical engineering
Walter Eversman of mechanical and aerospace engineering (emeritus)
William G. Fahrenholtz of ceramic engineering
Richard Hagni of geology (emeritus)
Greg Hilmas of ceramic engineering
Robert Landers of mechanical and aerospace engineering
Don Madison of physics
Sanjay Madria of computer science
John McManus of history
Ronald Olson of physics (emeritus)
Michael Schulz of physics
James Stoffer of chemistry (emeritus)
David Summers of mining engineering (emeritus)
Jay Switzer of chemistry
Thomas Vojta of physics
Wei-Wen Yu of civil engineering (emeritus)

Curators’ Distinguished Teaching Professors

Diana Ahmad of history and political science
Don Askeland of metallurgical engineering (emeritus)
James Bogan, Jr. of arts, language and philosophy (emeritus)
James S. Drallmeier of mechanical engineering
Xiaoping Du of mechanical engineering
Kelvin T. Erickson of electrical and computer engineering
Nord Gale of biological sciences (emeritus)
Stephen S. Gao of geology and geophysics
Larry Gragg of history and political science (emeritus)
Leonard Koederitz of petroleum engineering (emeritus)
Roger LaBoube of civil engineering (emeritus)
Yinfa Ma of chemistry
Frances Dee Haemmerlie Montgomery of psychology (emeritus)
O. Allan Pringle of physics (emeritus)
Jack Ridley of history (emeritus)
David Riggins of mechanical and aerospace engineering
V. A. Samaranayake of mathematics and statistics
David C. Van Aken of materials science and engineering
