S&T POLICE DEPARTMENT

Parking
All student-operated vehicles should have either a valid campus parking permit or student registration decal affixed properly to the vehicle. Missouri S&T Parking, Security and Traffic Safety Regulations, as adopted by the Parking, Security and Traffic Safety Committee and approved by the chancellor, provide for the payment of established fees for parking privileges and set fees for violation of those regulations. The university police department has the responsibility of enforcing parking regulations at Missouri S&T.

The size of the student body, faculty, and staff, coupled with the fact that a large number of students live off-campus, leads to a relatively large number of motor vehicles on and near the campus. This traffic load, in turn, complicates parking for the campus citizen and creates a hazard for vehicles and pedestrians. The committee has prescribed the rules governing the classification and use of parking lots, the qualifications for parking on those lots, and the rules for application, issuance, and use of parking permits.

Specific information on current regulations and other details pertaining to parking can be obtained at the University Police Department, G-10 Campus Support Facility, 573-341-4303. The regulations may also be found at: http://police.mst.edu/parking/.

Missouri State Uniform Crime Reporting (UCR) Statistics
Every law enforcement agency in the state is required to report crime data monthly to the Missouri State Highway Patrol (MSHP). MSHP creates and maintains computer files of the Missouri data and supplies information not only to the Federal Bureau of Investigations (FBI) for use in national crime statistics, but also to local agencies and organizations. To access crime data for the Missouri S&T police department submitted to the MSHP visit the MSHP Statistical Analysis Center: http://www.mshp.dps.missouri.gov/MSHPWeb/SAC/data_and_statistics_ucr.html.

The security guards perform additional security checks on main campus during evening and night hours. In addition to the full-time staff, the department employs students on a part-time basis, who serve as campus service officers (CSOs). Reporting Crimes at Missouri S&T

A log of all reported crimes is posted at the Missouri S&T police department (G10 Campus Support Facility) and on our website http://police.mst.edu/reporting/crimes/, under crime statistics to meet Clery Act requirements.

All crime victims are highly encouraged to report incidents to the Missouri S&T police department regardless of how seemingly insignificant the crime. Missouri S&T policy requires police to promptly report all criminal acts occurring on campus. To report a crime, the victim or witness need only call the Missouri S&T police department via 911 or 573-341-4300. A police officer will meet with the person to gather information and prepare an official report. You may wish to report an incident to have the alleged offender apprehended and/or for the protection of yourself or others. If this is the case, successful apprehension and/or prosecution of the offender depends greatly on the rapid and accurate report of the crime. Information about the incident can assist law enforcement authorities in providing and improving prevention strategies for the protection of the victim and others in the community.

If you wish to report an incident without seeking disciplinary or legal actions, please contact the Missouri S&T counseling and disability support department, the equity and title IX department, the dean of students and student affairs department, the residential life department, the campus human resources department or any campus security authority for assistance.

Additional contact and resource information for reporting a crime is available by calling the university police department at 573/341-4300 or online via https://police.mst.edu/reporting/crimes (https://police.mst.edu/reporting/crimes/), http://titleix.mst.edu/reporting (http://titleix.mst.edu/reporting/), and http://dos.mst.edu/studentcompliantprocess (http://dos.mst.edu/studentcompliantprocess/).
