DISTANCE LEARNING

Distance Programs

Through distance education, S&T offers graduate programs in business, psychology, technical communication, science, technology, and engineering, of which many are nationally ranked. S&T's unique approach to delivering distance programs is designed for working professionals. Visit distance.mst.edu (http://distance.mst.edu/) for a list of graduate degrees and certificate programs offered through distance education. For more information, contact us at 314-835-9822, or email global@mst.edu. (global@mst.edu)

Corporate and Professional Education

We provide professional development opportunities through technical short courses, seminars, webinars, conferences, and online training. For more information, contact us at 314-835-9822, email cpe@mst.edu.

Classroom Technology

IT supports Computer Learning Centers (CLCs), and classroom presentation technologies - such as podium computers, webcams, Wacom drawing tablets, projectors, speakers, and student response systems (clickers) - are provided to enhance instruction and learning in the classroom.

The Learning Environments Support team designs, implements, and supports technology to provide the best possible learning experience. Our environment includes 100+ classrooms, 50+ computer labs. The team also supports numerous instructional software tools. These tools range from lecture capture and delivery, to virtual desktop environments and Canvas.
